WAMANS HEAR TALK BY OVERLEY

IN SWINDLING" SUSPECT OF INDI- ANAPOLIS SPECIALIST

"Swindling" was the subject of a talk before the Green Castle Kiwanis Club on Thursday by T. M. Overley, manager of the Indianapolis branch of the Better Business Bureau.

Mr. Overley, a specialist in exposing various types of fraud, introduced by Dr. Hiram E. Jones, chairman of the program committee.

Mr. Overley, in an instructive and interesting talk, pointed out that styles of swindling could be compared to changes in styles of wearing apparel and that the Better Business Bureau has catalogued over 800 standardized methods of swindling and fraud.

Langdon Bros. Add Equipment

One of the most interesting records of business in Putnam county, has been established by Langdon Brothers of Cloverdale. Their name is widely known throughout this section, because of the produce trucks which cover the area several times weekly, carrying poultry and eggs, and they have been purchased by the hundreds of thousands over the years these young men have been operating in and around Cloverdale during the past 15 years.

They have just completed remodeling their Cloverdale store for the third time, each time having outgrown their old quarters and now their new store is modern in every respect.

New equipment which has been added include a new 15 foot vegetable counter with display mirrors, a new electric band saw, a new 25 foot meat display counter, a new 12 x 14 foot stainless steel walk-in refrigerator and a large electric fruit storage box, the complete equipment making it one of the nicest meat and vegetable displays in the county.

Ben Canon, Robert Buis, John Han Houck, Felix Cook and Keith Lyons are in Chicago tonight for the All Star-Rams football game to be played on Soldier Field.

DEAN FLOYD CHARGED WITH DRIVING VIOLATION

City police report the arrest of Dean Floyd on a charge of driving a vehicle without the owners consent as a result of finding him on west Liberty St. with a lime truck owned by the Newkirk Trucking service. It was taken from the High Point Service station.

Settlement Of Strike Favored

DETROIT, Aug. 23.—(UP)—Joseph Curran, head of the striking CIO National Maritime Union, today announced an agreement with Bethlehem Transportation Corporation, the second of 17 companies to settle with the NMU in the nine-day old seamen's walkout on the Great Lakes.

DETROIT, Aug. 23.—(UP)—Members of the National Maritime Union (CIO) appeared today to favor settling the nine-day-old strike against 17 Great Lakes shipping companies on the basis of a 48-hour week.

NMU members in four major ports, Chicago, Detroit, Cleveland and Ashtabula, O., have approved a settlement with Standard Oil Co. of Indiana calling for a 48-hour week at sea, with Sunday the overtime day; 44 hours in port with overtime after Saturday noon, and 40 hours during fitting-out and laying-up of ships.

NMU Chief Joseph Curran said 18 ports were yet to be heard from, but it was expected the members would heed the advice of their leaders and approve the terms. Final results of the voting were expected today.

It was believed the settlement with Standard Oil would provide a pattern for an agreement with the other firms involved.

Curran said the contract also provided an overtime rate of \$1.15 an hour for beginning seamen; \$1.20 for semi-skilled workers and \$1.25 for skilled.

BOYS FIND \$20 BILL; GIVE TO POLICE

MUNCIE, Ind. Aug. 23.—(INS)—A lost \$20 bill, with nothing to identify the owner, proved no temptation to three small Muncie Ind. boys.

The boys, Jimmy Conley, 10, his brother Jack, 12, and Danny Stump, 10, found the bill on a Muncie sidewalk. They promptly turned the money over to police and later called an officer's attention to a classified advertisement seeking return of a lost \$20 bill.

The owner of the bill, F. E. Richardson, of Muncie, kept \$11 and split the remaining \$9 among the three finders.

CIO Rebuffed At Oak Ridge

OAK RIDGE, Tenn., Aug. 23.—(UP)—The CIO suffered the most serious setback of its current southern membership drive today when rebuffed by voters of three operating companies at the Oak Ridge atom bomb project.

In a three-day National Labor Relations Board poll conducted in this sprawling city created as a war-time emergency. The congress of industrial organizations failed to win approval of workers in any of the three plants.

Two plants voted for the American Federation of Labor's atomic trades and labor control, and workers at a third voted for no union at all.

HOLD WOMEN SPY
FRANKFURT, Aug. 22.—(INS)—U. S. headquarters announced today that a Soviet woman citizen named Dr. Lena Rerz-Krupenko, a confessed agent of the Russian Secret Service, has been turned over to the Russian repatriation mission in Frankfurt.

She was identified as the woman spy named in the recent interview between H. H. HARRIS and the Soviet agent.

RICHARD COX INJURED AT CEMENT PLANT

CAUGHT BETWEEN FREIGHT CARS BEING FASTENED TOGETHER

Richard Cox, age 25 years, Greencastle Route 3, was seriously injured Thursday night at 8:30 o'clock at the Lone Star Cement plant, where he is employed.

It was said that Mr. Cox was caught between two freight cars that were being fastened together in the loading department.

The extent of his injuries are not known other than that he was seriously injured.

Mr. Cox was taken to the Putnam County hospital. He regained consciousness Friday morning and was able to recognize members of his family.

It is believed that Mr. Cox suffered severe chest injuries.

DISPUTE CHANGES

LONDON, Aug. 23.—(INS)—The dispute between the United States and Yugoslavia over the shooting down of American transport planes was thrown into new perspective today by disclosure that Belgrade has protested to Washington over seizure of Yugoslav ships in the Danube.

The Moscow radio made this revelation, stating that the issue would be placed before the Security Council of the United Nations when it meets in late September.

Vessels involved were among scores taken over by the United States Third Army months ago when investigators discovered that thousands of European ex-patriates were using them as headquarters for a gigantic black market.

COPY OF DISCHARGE ACCEPTABLE BY GOV.

Word has just been received from Washington that a photostatic or certified copy of the discharge will be accepted when application for terminal leave pay is filed by veterans.

The first instructions received here called for the original discharge to accompany this application, but the possibility that the discharge might be lost or misplaced and the difficulties involved in replacing an original discharge which has been lost or destroyed, caused the Army, Navy, Marine and Coastguard Headquarters to revise their demands, thus permitting a photostatic or certified copy of the discharge to be attached to the application for terminal leave pay.

V-2 ROCKET BOMB FAILED TO GO UP

WHITE SANDS PROVING GROUND, N. M., Aug. 23.—(UP)—Army officials today lauded "quick thinking" on the part of launching and observation crews for avoiding a serious accident when a German V-2 rocket misfired yesterday.

The rocket, 11th to be tested at the proving grounds here, gained an altitude of only a few hundred feet before it returned to earth, approximately 1,500 yards from the launching site. The impact burst the rocket into flames which could be seen for miles.

No one was hurt.

HAPPINESS SPREE BRINGS SENTENCE

HAMMOND, Ind. Aug. 23.—(INS)—Sam Boda, 52, of Indiana Harbor, was under a suspended 60-day penal farm sentence today—all because he became too overjoyed at learning that his soldier son, reported killed in action, was alive in Rumania.

The son, Theodore, was reported as missing for several months, and finally listed by the War Department as dead. However, on July 17 Boda received a letter from Theodore, saying he was safe in Rumania.

The father's resulting "spree" of intoxication. His case was brought before Judge J. J. McLaughlin, who fined him \$100 and suspended the sentence.

POLICE WILL STOP YOUNG MEN ROAMING STREETS

City police report youngsters of all ages are roaming the streets of Greencastle during the early morning hours after midnight and a crack-down on them will be made. Many have been warned about being on streets during these hours and most of them have heeded the warning and gone home.

Police report these young men are out with apparent reason and they are taking steps to prevent some trouble that might arise if some temptation was tossed in front of some of them.

Escapees Given 25 Year Terms

CRAWFORDSVILLE, IND., Aug. 23.—State Police closed the books on the case of three men who escaped from the Pendleton State Reformatory after the last of the group was captured today and all three were promptly handed 25-year prison sentences.

Charles Gilchrist, 25 years old, of Indianapolis, surrendered to troopers at Indianapolis this morning after he had given the officers a wild chase in a stolen automobile. The others—Raymond Johns, 22, of Kokomo, and Rollin Hurt, 25 of Indianapolis—were recaptured near here Monday.

The three had been sought since they beat an aged guard and fled the reformatory Aug. 11 and the search had been intensified during the past week as the men were reported seen in Montgomery and western Marion counties.

Immediately after Gilchrist's capture, State Police, sheriff's officers and detectives escorted the prisoners from Lafayette to Montgomery Circuit Court here. Each pleaded guilty to a charge of auto banditry and Judge Howard A. Sommer thereupon pronounced sentence.

DISCHARGE COPY WANTED FOR PAY

INDIANAPOLIS, Ind. Aug. 23.—Three assistants will aid Fred K. Myles, state veterans employment representative of the Veterans Employment service, in providing job service to ex-G. I.'s of Indiana. Myles said the three were to have charge of field supervision of veterans' services, which are handled through the 24 United States Employment service offices in Indiana. They are Richard Haugh, of Delphi; Donald Smith of Indianapolis and Kenneth Bennett, of Dillsboro.

Haugh is to have charge of the northern half of the state, which includes offices in Gary, Hammond, East Chicago, Michigan City, LaPorte, South Bend, Elkhart, Fort Wayne, Logansport, Lafayette, Kokomo and Marion.

Smith's territory is the southern half of the state, with offices in Muncie, Anderson, New Castle, Indianapolis, Richmond, Connersville, Terre Haute, Columbus, Bloomington, Vincennes, New Albany and Evansville.

Bennett is field supervisor of local USES services to disabled and handicapped veterans.

COAL STRIKE ENDS

TERRE HAUTE, Ind., Aug. 23.—(UP)—Upwards of 1,000 soft coal miners at three mines of the Knox Consolidated Coal Company, Bicknell, Ind., one of the largest in Indiana, were to return to work today, but some 3,000 other miners remained away from their jobs as a sympathy strike entered its fourth day.

NO SPECIAL SESSION
INDIANAPOLIS, Aug. 23.—(UP)—Chances that a special session of the general assembly would be called dimmed today as Governor Gates announced that a way had been found for the state to receive \$1,232,000 from the federal government for school lunches this fall.

MANUFACTURING ARMS

LONDON, Aug. 23.—(UP)—The Foreign office announced today that the government had received secret reports saying the Russians were continuing to manufacture armaments in the Soviet zone of Germany "in violation of the Potsdam agreement."

SAM T. HANNA IS NAMED V-CHAIRMAN

Sam T. Hanna, widely-known Greencastle business man, has been appointed vice chairman of the Putnam County Chapter of the American Red Cross, announced Willard Sunkel, county Red Cross chairman, early today.

Mr. Hanna succeeds Dr. Victor Raphael who served the Putnam County Red Cross faithfully during his many years in Greencastle.

Having been chairman of the Red Cross War Drive in 1943 and 1944, Mr. Hanna is not new to Red Cross activities. Serving in this capacity he made an enviable record almost tripling the amount asked for in these drives.

In 1946 he served as chairman of the Special Gifts Committee.

Rift Is Eased For All Nations

PARIS, Aug. 23.—(UP)—Peace conference delegates were relieved today by relaxation of the American-Yugoslav crisis and hoped to get some back work done on the Italian treaty.

A virtual breakdown in the mechanical operations of the secretariat, coupled with the uncertainty stirred by the American ultimatum, made substantial progress this week impossible.

The Secretariat summoned a meeting of the Italian political commission at 4 p. m., although delegates still had not received copies of the more than 250 "fundamental" treaty amendments to be considered. The Secretariat was swamped with the copying task.

It was believed highly probable that Secretary of State James F. Byrnes will return to the United States if Yugoslavia fails to give a satisfactory reply to the American 48-hour ultimatum which expires late tonight.

Byrnes was expected to present the American case to the United Nations Security Council. If the United States should decide to press its charges against Yugoslavia in the UN.

Strong support was gathering among the delegates to give the Italian people greater credit for knocking out fascism and fighting the late part of the war on the Allied side. Italy has urged a revision of the treaty preamble composed by the Big Four to stress this point.

POLIO INCREASE

WASHINGTON, Aug. 22.—(INS)—The U. S. Public Health Service reported today that 1,819 new cases of infantile paralysis were recorded during the week ending Aug. 17 as compared with 1,581 new cases the previous week.

This brings the total number of polio cases reported this year to the health service to 8,849—an increase of 6,257 within a one-month period.

CONFINED TO HOSPITAL

Leslie Stewart of Roachdale is confined to the Putnam County hospital due to a serious foot injury he received while unloading lime from a lime spreader a few days ago.

PAYS OLD DEBT

JOLIET, Ill., Aug. 23.—(UP)—A young man with a discharge button in his lapel walked into a cigar store and handed the clerk, Josephine Rositch, a five dollar bill.

"What's that for?" she demanded.

"I flicked candy from this store when I was a kid," he replied.

SEARCH FOR FIVE AIRMEN IN YUGOSLAVIA

TITO SUPPOSED TO HAVE PROMISED NO FURTHER INCIDENTS

LONDON, Aug. 23.—(UP)—The Moscow radio quoted a Tass dispatch from Belgrade today as saying that Yugoslavia, in a letter to the United States of illegally holding Yugoslav passenger ships and other vessels.

Belgrade, Aug. 23.—(UP)—American officials, bearing Marshal Tito's pledge to atone for shooting down two American planes and halt further attacks, directed a search today for five airmen missing since their U. S. army transport crashed Aug. 19.

Tito was understood to have promised Ambassador Richard C. Patterson, Jr., yesterday that no further incidents will occur between Yugoslav fighters and American planes entering Yugoslavia.

Fulfillment of Tito's promise to give the United States full satisfaction for the two frontier attacks on American planes hinged on the American officials to inspect the site of the Aug. 19 crash. Nine men, including seven Americans, who crashed Aug. 9 in the first incident were released by the Yugoslavs yesterday and reached American headquarters at Gorizia.

The party had been confined in a hotel at Ljubljana until notified of their releases yesterday morning. Patterson did not know of their freedom until Tito informed him.

Yugoslav army sources said they could find no trace of the five men aboard the plane shot down Aug. 19. They indicated an earlier official Yugoslav report that two men parachuted may have been wrong.

It was believed possible that all five Americans were dead.

U. S. Ambassador Richard C. Patterson, Jr., reported last night that Tito had promised him full satisfaction during their two-hour conference at Bled, the Yugoslav Premier's summer residence. He promised Patterson facilities to inspect the Aug. 19 crash site.

(The London Daily Telegraph correspondent in Belgrade reported that Tito has given Yugoslav Fourth Army commanders strict orders not to fire at any more foreign planes which cross the Yugoslav frontiers. "The procedure will not be repeated," the telegram quoted him. Tito made the statement in reply to a questionnaire submitted by three correspondents.

(Tito told the correspondents it should be easy to arrange specific signals to be used in events planes lost or in distress are forced to enter Yugoslav territory. He suggested dipping one wing as a signal.)

(Tito told the correspondents he thought American infringement of the Yugoslav air was deliberate "to create an impression among the Yugoslavs that the force of the United States was so overwhelming that the Yugoslav government must 'take everything.'")

NEWSPRINT INCREASES

WASHINGTON, Aug. 23.—(UP)—The OPA today announced a \$7-a-ton increase in the price of newsprint to prevent diversion of supplies from domestic to foreign markets.

The increase applies to all newsprint sold in this country and covers sales back to Aug. 8. The new ceiling price at 38 port cities is \$78 a ton with higher prices in other sections of the country to allow for freight costs.

MAJOR ACQUITTED

BAD NAUHEIM, Aug. 23.—(UP)—Maj. Herbert W. Blumh was acquitted by an eight-man military court today of charges of complicity in the mistreatment of U. S. soldiers at the Lichfield, England, detention center.

Blumh was accused of "authorizing, aiding and abetting" and "knowingly permitting" guard-house cruelties against the military prisoners at the Army's 10th Replacement Depot at Lichfield.

Latest Wire Flashes.

WASHINGTON, Aug. 23.—(UP)—Prospects of being drafted this fall eased up today for thousands of key workers, college professors and building craftsmen.

Selective service, at the request of Reconstruction Director John Steelman, sharply modified its tough deferment requirements. Heretofore none but registrants indispensable to the Nation's existence got occupational exemptions.

Draft boards were authorized to give "most serious consideration" to occupational claims of production and transportation workers, home builders, and college and university teachers.

BATAVIA, Aug. 23.—(UP)—The Dutch government information service confirmed today that 200 Indonesians had been killed two days ago in another battle with Dutch marines.

SHANGHAI, Aug. 23.—(INS)—A Russian newspaper reported today the arrest of an unidentified American Colonel in Washington, D. C. in connection with the theft of two hundred bars of gold worth \$160,000 in Fromosa early this year.

The newspaper also said a demobilized American major was involved.

NITRO, W. VA., Aug. 23.—(INS)—The death toll mounted to three today following an explosion which virtually wrecked the Ohio-Apex company's nitro plant. Eight others were injured.

Peace Delegates Given Relief

WASHINGTON, Aug. 23.—(UP)—The gravest postwar rift between the United States and the Russian-dominated world eased today as Yugoslavia promised "full satisfaction" for shooting down two unarmed American transport planes.

American officials, gratified at Marshal Tito's prompt reaction to the U. S. ultimatum, awaited official reports from Belgrade before drafting demands for redress for the damage, deaths and injuries inflicted when the two American planes were downed by Yugoslav aircraft.

The state department declined official comment on the turn of events. But there was a strong feeling here that Yugoslavia's seemingly cooperative attitude would make it possible to settle the incident in direct negotiations, without the need of referring it to the United Nations Security Council.

Despite the prevailing optimism, Rep. Sol Bloom, D. N. Y., called for an immediate Truman-Attlee-Stalin conference to review all major problems in the world's troubled spots.

Bloom, who traced the current difficulties in Yugoslavia to Moscow, said he did not join in fears that the Yugoslav incident would lead to war but that it might set a pattern for future unrest elsewhere. A new big three meeting, he said, would go far toward helping the search for a lasting peace.

Yugoslavia's apparent desire to speed an amicable settlement with the U. S. was indicated by the fact that nine passengers of the first plane, downed Aug. 9 were released even before U. S. Ambassador Richard C. Patterson formally delivered the American ultimatum to Tito.

Officers also were encouraged by Tito's order to his military commanders to refrain from firing upon military or civilian planes of foreign powers.

The release of the nine passengers would mean full compliance with the American ultimatum if the five occupants of the second plane, downed Aug. 19, were killed as indicated in earlier dispatches from the Yugoslav capital.

Officials here said the question of demanding restitution from Tito's government for American deaths and property damage would depend to a large degree on the Yugoslav explanation of the attacks on the two U. S. planes.

CEILINGS UP AND TO RISE ON LAMB, BEEF

FLOUR AND BUILDING MATERIALS BOOSTED; ALSO TRUCK PRICES

WASHINGTON, Aug. 23.—(UP)—The OPA, racing against a congressional deadline for adjustment of consumer goods prices, today upped ceilings on trucks and published other price boost orders covering flour and building materials.

And early next week, the price agency is expected to give households the sad news that the new ceilings on lamb and beef will be several cents higher than the OPA prices in effect on June 30.

Although flour prices will go up seven cents a hundred pounds today, OPA does not anticipate the rise will be passed on to consumers in the form of higher bread prices.

In fact, price officials hope a recent penny-a-loaf increase on bread prices can be rescinded as soon as Agriculture Department revokes a limitation order covering millers.

OPA stepped up its price action on durable goods since only one day remains for it to meet a congressional deadline to wipe out costs formerly absorbed by distributors under the old OPA law. The Wherry amendment directed that costs be passed on to consumers.

Building materials—also scheduled for price action today—are the only major items remaining on which adjustments must be made under the amendment. Revisions already have been made on such things as mechanical refrigerators, vacuum cleaners, and irons.

New and higher truck prices, announced today, will cover higher wage and material costs, OPA said. They include Chevrolet, Dodge, Ford, GMC and White trucks. The highest boost was \$633 for a 2 1/2 ton GMC truck.

New price ceilings also became effective today on tank car sales of vegetable oils and fats—the major ingredient in shorting and salad oils. Retail costs, as a result of the action, will be announced later. They will become effective on Sept. 9.

Prices housewives will pay for lamb will probably be six or seven cents a pound above June 30 retail levels. The beef rise is expected to be at least a penny a pound.

OPA Chief Paul Porter has announced that new meat ceilings will become effective Sept. 9.

Meanwhile, the Bureau of Labor statistics reported that meat prices showed little change in the week ending Aug. 20. Round steak and chuck roasts went down in seven cities, with the largest declines in Savannah and Washington.

The Bureau said that prices of 18 foods in 12 cities were somewhat higher at the end of the week.

REJECTS ULTIMATUM

PARIS, Aug. 23.—(UP)—The French press agency said today in a dispatch from Belgrade that Marshal Tito had rejected a United States ultimatum to Yugoslavia over the four downed American planes. The report lacked immediate confirmation in any other quarter.

PRICE INCREASE

WASHINGTON, Aug. 23.—(INS)—OPA today authorized a one to three per cent increase in the price of several types of building material to meet requirement of the new price control act.

SOCIETY
AUGUST BRIDE

Mrs. Donald Long

Photo by Von Steinen's Studio

In an impressive candlelight ceremony at four o'clock this afternoon in Gobin Memorial Church, Miss Lorraine Brendle, daughter of Mr. and Mrs. L. J. Brendle, became the bride of Donald B. Long, son of Mr. Everett Long of Bloomington, Indiana. The double ring ceremony was read before the altar, banked with fern and white gladioli, by the Rev. J. T. Destimon, pastor of the St. Paul's Lutheran Church of Brazil, Indiana. Dr. Van Denman Thompson was organist. Miss Margaret Boyd, of Thorntown, sang "Because" before the ceremony.

The bride, who entered on the arm of her father, wore a wedding gown of white net with a sweetheart neckline, having a ruffle trim. The gown buttoned down the back, with puffed sleeves, a tier of ruffles down the front of the skirt and around the bottom, and also a trim of ruffles around the short train. Her two-tiered fingertip veil of illusion fell from a beaded Juliet cap. She carried a colonial bouquet of stephanotis and a white orchid.

Miss Marguerite Brendle, sister of the bride, was maid of honor. She wore a pink gown with a net yoke, round neckline, three-quarter length sleeves, marquisette bodice and a full net skirt. She carried a sheaf of orchid gladioli and wore matching flowers in her hair. James Hurst of Greencastle was best man. Ushers were Wallace Martin and John Long, also of Greencastle, cousins of the groom. David Jones, small son of Mr. and Mrs. William Jones of Greencastle and nephew of the groom, was ring-bearer.

The bride's mother wore a gown of black crepe with pink sequin trim, matching accessories and a purple orchid. Following the ceremony, the bride and groom greeted the wedding guests at the door of the church. A small reception for intimate friends followed at the home of the bride's parents.

For her going away costume, the bride wore a brown and white checked wool suit with matching accessories and a white orchid. Mrs. Long is a graduate of De Pauw University and a member of Alpha Gamma Delta sorority and Tri Kappa social sorority. Mr. Long attended Indiana University and is a member of Lambda Chi Alpha. He is now associated with the Hoosier Veneer Company of Indianapolis.

Out of town guests for the wedding included Mr. and Mrs. Everett Long, Bloomington, Miss Minnie Brendle, Sheldon, Iowa, Mrs. Edwin Hintrager, Joliet, Ill., Miss Margaret Boyd, Thorntown, Mr. and Mrs. Fred Wintle, Kirklin, Indiana, and Dr. T. C. Helmreich, Gilman, Illinois.

IN MEMORY
In loving memory of John T. Chavis, who passed on 3 years ago, August 23, 1943.

We never knew so many tears
Could dwell in our eyes
To dim the glory of the sun,
The gold of Autumn skies,
We never knew that souls could
Wither
In such depths of despair,
To learn a house was not a home
Without a loved one there,
Nor did we know that hearts
Could ache
With such a bitter pain,
With longing for a vanished face,
To hear a voice again,
We never knew that nights could
Be
So lonely, cold and dim,
But, oh, we've learned so many
things
Because of losing him,
Wife and Children.

LATE NEWS

Byrnes, in Paris, will be the final judge of whether or not Yugoslavia has given the United States "complete satisfaction" in connection with the shooting down of two American transport planes.

This was the position taken in New York today by American spokesman attached to the United Nations security council.

Herschel Johnson, American deputy, had returned to New York from a Washington conference with acting Secretary of State Dean Acheson, but he was not prepared to say whether or not a formal complaint would be lodged with the security council against Marshal Tito's government upon expiration of the 48-hour deadline tomorrow.

Although Yugoslavia's release of seven Americans and two Hungarians who were aboard the transport forced down on Aug. 9 has considerably relieved the situation, it was pointed out the situation involving the plane shot down on Aug. 19 has to be clarified.

American charge d'affaires at Belgrade has advised the State Department that "officials" of Marshal Tito's Fourth Army believe all five fliers aboard the second plane are dead. The Yugoslavian army officers "think" all

five parachuted and were their bodies still unaccounted for. The U. S. graves registration is now engaged in an investigation of its own. Settling the truth of the radio report that Yugoslavians were going to make a compromise her own against the American detention of the slav shipping in the upper tube, Dr. Andrija Stambek, slav representative on the city council, today denied such move

PUTNAM LIVESTOCK
GROWERS HIT JACKPOT
Putnam county livestock growers, who had hogs on the Indianapolis market Thursday

hit the jack-pot with a fancy price of \$26.00 per hundred. It was reported several had stock on the high market, which made an all-time score. Other feeders had hogs at the Indiana State

penal farm, where the price is 25 cents per hundred under the Indianapolis price, but all were at the highest price in history.
